

Instructions for making the Gospel Bracelet

Supplies Needed:

1. Length (15ins) of black 2mm thick elastic

2. Pony beads size 6mmx8mm in 8 colours.

- Yellow
- Black
- Red
- White
- Green
- Blue
- Orange
- Transparent

How to assemble The Gospel Bracelet

(Elastic works better as it stretches and is more flexible)

1. Tie knot 1 on elastic.

2. Thread the beads onto the elastic in specific colour order (Yellow, black, red, white, green, blue, orange).

3. Tie knot 2 on elastic next to the orange bead.

4. Thread both ends of the elastic through the clear transparent bead.

5. Tie knot 3 and knot 4 on elastic, this works as an extender and extends the bracelet to fit various sizes.
